and hygiene services for life

Meet and Greet event

Join Antenna and IRC at the safe water networking event in Stockholm!

Date: **28 August 2016**

Time: **17:00 -19.00**

Location: **Booth #43** at the conference (at the IRC–Water For People stand)

Organizer: Antenna

On 28 August 2016, Antenna and its partners will organise a meet and greet in Stockholm, bringing together actors from all across the globe to talk about scaling up access to safe water and sanitation. At this event, iDE will also present their most recent achievements in scaling-up sanitation and safe water in Ghana and Cambodia through a market-based approach.

Join our networking event about scaling-up safe water and sanitation; we look forward to meeting you there!
