SAVE THE DATE
IRC'S SYSTEMS SYMPOSIUM

All systems go!

on March 12th to 14th 2019 in The Hague,
The Netherlands

IRC in collaboration with several partners will be hosting a major symposium on building and strengthening strong systems to deliver safe and sustainable WASH services for everyone.

Further information, calls for papers, and registration information to follow soon!

Please feel free to contact us with your ideas, contributions or questions via
